Information about ZF Part Finder App:

The ZF Part Finder App allows customers to search the spare parts range from ZF Aftermarket brands ZF, SACHS, LEMFÖRDER & TRW.

ZF Part Finder App for iOS devices is available from the App Store and for Android devices on Google Play.

Two steps for an easy access:

1. Select your language
2. Enter the part reference number or select the OEM for details

*The products mentioned in the list are intended to be aftermarket spare parts.
